

A photograph of a forest with bare trees and a bright sun low on the horizon, creating a warm, golden glow. The sun is positioned on the left side of the frame, partially obscured by a tree trunk, and its light filters through the branches, creating a dappled pattern of light and shadow. The overall color palette is dominated by warm yellows, oranges, and browns, with some cooler tones in the shadows.

Word Study for -- FINEST

**Psalm 81:16 He should have fed
them also with the finest of the
wheat: and with honey out of the
rock should I have satisfied thee.**

**Psalm 147:14 He maketh peace in
thy borders, and filleth thee with
the finest of the wheat.**
